ALLERGIES

Your safety is our greatest concern, and because allergies can be life threatening we ask you to think carefully when ordering.

We work very hard with our suppliers and staff to ensure all protocols are followed. However you should be aware that we use many different ingredients in our kitchen, and whilst many of our products are made with gluten free ingredients, we cannot 100% guarantee that it won't contain traces of gluten or any allergens.

Our allergen matrix is available on request. It shows which of the 14 legally declarable allergens are in each dish. We recommend you check this every time you visit as some dishes/suppliers may change.

Please ask if you need further assistance.
